

The Distance Education Association of New Zealand (DEANZ) invites you to a registration-only, one-hour educational lecture:

Next Generation Learning

Presented by
Diana G. Oblinger,
Ph.D., EDUCAUSE President.

Diana is a prestigious international speaker and an expert in the area of online education. You can view her biography [here](#).

Lecture Overview

// A new generation of learners, comfortable with technology, allow educators to create the next generation of learning. Today's learners have almost unlimited access to information, tools, resources, and experts. Social networks, mobility, video, visualization and personal learning environments, offer new opportunities as well as classic challenges. This presentation highlights emerging technology models, quality, and educational outcomes. //

Date Wednesday 11 April, 2012

Time 6:00pm – 7:00pm, please be seated by 5.50pm as the lecture will start promptly at 6.00pm. The lecture will be followed by discussion and refreshments.

Location Renouf Foyer, Michael Fowler Centre (also known as the Positively Wellington Venues), 111 Wakefield Street, Wellington

Price \$40 + GST

Registration for this lecture is required.

You can [register online here](#) or for more information email: mark.nichols@openpolytechnic.ac.nz

This DEANZ event is held in conjunction with the DEANZ 2012 Conference, sponsored by Open Polytechnic (platinum), Ako Aotearoa (gold), echo360 and Te Kura (silver), and Massey University, Southern Institute of Technology, Weltec and Otago Polytechnic (bronze). Dr Oblinger will also be providing a keynote address at the DEANZ 2012 event. You can register for the DEANZ 2012 Conference at <http://tinyurl.com/DEANZ-register>. Registration for the 2012 Conference also entitles registrants to attend the educational lecture.
