

Know your learners / Plan for predictable variability

Learning Environments

Universal Supports

Ask: Does the everyday learning environment provide a range of supports to cater for learner variability?

Curriculum and Lesson Planning with UDL

Provide Multiple Means of Engagement
Purposeful, motivated learners

Provide Multiple Means of Representation
Resourceful, knowledgeable learners

Provide Multiple Means of Action & Expression
Strategic, goal-directed learners

Goal or Purpose

Ask: Does everyone know what they are doing and why?

Methods or Activities

Ask: Will the teaching methods and options for completing activities work for everyone?

Resources and Materials

Ask: What resources or materials will I need to make it work for everyone?

Assessment and Outputs

Ask: Can the students show what they know in a way that works for them?

Design from the edges

Seek diverse perspectives

Intentional design
